

AAGK FALL FOOD Drive

October 20th—November 9th

The Mission of Hope is a year round ministry blessed to assist many of our less fortunate Appalachian neighbors with much needed goods and resources; college scholarships; and help with basic educational, health care and home repair needs.

Since 1996, the Mission of Hope has ministered to the people of various counties in Kentucky and Tennessee from which 80% of the region's residents no longer have jobs in the coal mining industry. Many of the people we assist are caught in the pockets of poverty and as a result have lost all hope for their future. With your help and with we can help bring new hope to many.

Yes, we want to extend the Hope by participating in the
